Dear Hiring Manager:

I am interested in exploring the possibility of joining your organization. Please find my resume enclosed; it will furnish you with information relative to my education, experience, and abilities. References and any additional information you require are available at your request.

As my resume indicates, I have had considerable success in the areas of E-commerce Java Programming, Oracle Development and E-Commerce/Web Programming. My skill base is both extensive and diverse and reflects demonstrated proficiency in the areas of SQL/PL SQL and Oracle 9i. Other skills include ActiveX, ASP, C, C++, CGI, DHTML, HTML, HTTP, Java, JavaScript, ODBC, SQL, VB, VBA, VBScript and XML. These combined experiences have given me opportunities to develop my communication and client relation's skills as well as my interpersonal skills. With this combination of skills and experience, I feel I can contribute significantly to your team.

I realize, of course, that this summary cannot possibly provide all the information you will need for your decision-making, so I would welcome the chance to speak with you personally.

Thank you for considering my candidacy. I will look forward to your reply.

Sincerely,

Michael Gershman
